Honor Society Selects 25

To Be Inducted Next February

Twenty-three seniors and two alumni were honored this week with election to the Delta Epsilon Sigma, the Catholic honor society. Of the 25 seniors, 9 were members of the MICHAELMAN staff.

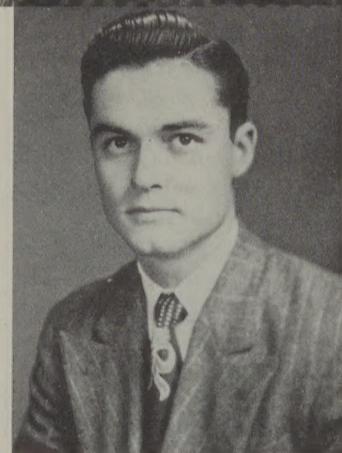

Election to this high office is not only attained by current high scholarship, but also on the promise of future scholarship and on extracurricular activity. Those who were selected are:

JAMES H. BARRY, of Beverly, Mass., is a B.S. major. During his undergraduate days, he was active in the Sodality, Booster Club, Golden Gloves Team, Intramural Sports, Labor Relations Club, a member of the SAC, Shield, Boston Club, and the Spanish Club. Jim is senior class president and a four time winner on the Dean's List.

PAUL E. BOUCHER, a native of Highgate, Vt., and a Math

four year man on the Dean's List.

RAMON S. DEJESUS hails from far away Malabon, Rizal, Philippine Islands. He is a Biology major. "Ray" is the president of the Biology Club, Honorary member of the Chem Society, and a four year member of the Dean's List. He is also active in the Spanish Club, the Sodality, Mission Crusade, Choir, Philosophy Club, and the Outing Club. He is among the members of the SAC.

RAYMOND J. DOHERTY of Newton, Mass., expects to receive his A.B. in English in June. A member of the MICHAELMAN staff since his Sophomore year, he was News Editor last year and is Editor-in-Chief this semester. Ray is also college sports publicity assistant and a member of the SAC. He was a member of the varsity baseball squad, a Prom co-chairman last year and Sec. of his Junior class. He was also on

major is the president of the Mission Crusade and has been active in the Sodality. A member of the choir, the mixed chorale, the Philosophy Club, the Band, and the regional Mission chairman of the NFCCS.

THOMAS P. CARNEY is from Burlington, Vt. During his four years as a Business Ad. major, he has been active in the Shield, and served as a member of the Senior Ball Committee. Tom is also a past member of the Dean's List.

HARLAND CASS, an English major, is from Athol, Mass. He has contributed his talents in the choir, Biology Club, Mission Crusade, and the Outing Club. He is an Honorary member of the Chemistry Society and a

Next Thursday, as part of our President's Day program, a shrine will be dedicated to Our Lady of Fatima.

The shrine, to be located behind Prevel Hall, is a gift of the class of 1950. Last spring under the leadership of Gus Contant and officers of the class, the idea of a shrine was developed and encouraged. Each member of the class donated what he wished, the average being about \$2.00. The result is an Italian marble statue of Our Lady of Fatima and it restores to the campus an outdoor shrine to Our Lady. The previous one had to be removed to make way for the Science Hall.

The occasion of this dedication of a shrine to our Blessed Mother is noteworthy. We are dedicating a shrine in honor of the Blessed Virgin just two weeks after the church declared as dogma her Assumption.

Of equal importance is the fact that in less than a decade the final portion of the message of Our Lady at Fatima will be revealed. The shrine will be a place where Michaelmen can join prayers to St. Michael "That we be protected in this day of battle," with prayers to Our Lady that the terrifying warnings of Fatima will not come true.

The class of '50 will be blessed for its generous gift. There is for the rest of us a lesson in the decision of a class which numbered so many veterans to turn to her who is also the Queen of Peace.

Undoubtedly November 16 is a holiday for someone in some part of the world. If you were sent out to find the "loafer" for that day you would only have to go as far as the nearest mirror. But are you going to be a "loafer?" Classes will be suspended; will you be suspended (in your bed, that is)? Mass is at 9:00 a.m. How about a short break between naps?

November 16 is the feast of St. Edmund, the patron saint of the Society of St. Edmund. For every member of the order this day will be a birthday, another traditional milestone, a day of rest. (But only a rest from classroom attendance.)

Their main thoughts and activities will dwell on the program for the day. The annual President's Day Mass will be said by Father Lyons. All members of the faculty and student body are "cordially invited" to attend. Don't under estimate the "cord!" Let's set an example!

November 16, President's Day, is in a sense a Thanksgiving Day, for we indeed have much to be thankful for. If it weren't for the Fathers of St. Edmund, and maybe for St. Edmund himself, the alumni and prospective alumni wouldn't have the proud surname MICHAELMAN to display. This surname has a power that increases with each passing year. Remember those who have made it possible.

Another aspect of the celebration will be the honoring of all the Fathers of St. Edmund and especially our distinctive president, Father Lyons.

With determined foresight and heroic refusal to consider the odds, these missionaries in a "civilized" society have plotted the course for St. Michael's, one that assures victory and the deserving rewards. These rewards will not only be presented for worldly accomplishments at St. Michael's but much more, for spiritual gain. St. Edmund's Day will be but one opportunity. This feature, however, has only a one day stand. It can't be repeated.

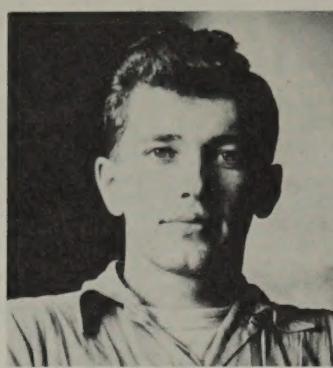

The Mass at 9 o'clock will be said in Austin Hall. After the Mass the grotto to Our Lady, near Prevel Hall, will be dedicated.

After the festivities we extend to all the faculty and students a wish for a most restful day, a schedule of your own choosing. Remember: November 16 - Feast of St. Edmund - President's Day - unanimous attendance at the Mass - the rest of the day is yours. Listen to your alarm clock. It makes sense!

HILL WIND

By Erald Medlar

Compare Ryan Hall to any other in which you have lived.

Bill Keefe Waterbury, Vt.

I think Ryan Hall is the first big step towards a modern college dormitory that I have seen here at St. Mike's. It is extremely conducive to academic work and living conditions are of the highest. It is a real blessing from heaven!

Don Shea Chicopee, Mass.

In comparison to Old Hall, Ryan Hall far excels in every department. The rooms have been built on a better design and living conditions are very favorable due to this fact. Another fact that is worth mentioning is the environment, which is conducive to study.

Jack McDonald

Ridgewood, N. J. The rooms are out of this world compared to those of Old Hall. It is like a king's palace! The facilities at our disposal are extremely modern compared to any other hall. For a small school they certainly have reached a great milestone in their history.

By Joseph Michael Shea, Jr.

Skidwest School For Girls
November 5, 1950

Dear Mr. Diehl,

We the undersigned students of Skidwest School for Girls wish to openly express our disapproval of the views aired by you in your column, "The Mike" of last week. As members of the sophomore class and as mature, intelligent young ladies, we feel it our duty and privilege to rally to the defense of our fair sex. It is our opinion that you have wrongly accused, satirized, and slandered us; and have done so in a manner unjust, erroneous, and inconsistent. We find solace, however, in the fact that the views expressed were your own and do not necessarily reflect the opinion of your classmates. You see, we have it on reliable authority that more than a few of the men of St. Michael's are rather partial towards women.

Perhaps the most erroneous of your candid views is the

idea that girls in your words "are out to get their man." We feel that if you would be at all objective about the whole thing all you need do is to look around. Now I ask you Mr. Diehl, who is out to get Whom? Who does all the chasing? Did Eve chase Adam? Did Juliet chase Romeo? Did your girl chase you? Who is the one who is the most proficient at handing out the well known "line?" Who makes most of the most fantastic and seldom kept promises? When something does go wrong, who does all the moaning and groaning? After all, where would men be if it wasn't for us women!

When you speak of girls as being "Luciferistic" we can only surmise that perhaps you were once frightened at a Halloween party, or else Macbeth and his Hectate went to your head. Just because Cleopatra made a chump out of Anthony, doesn't mean that we are all like that. Don't forget this:

"for every woman who makes a fool out of a man, there is a woman who makes a man out of a fool."

So now that we have clarified our position, we hope that you men will stop thinking that girls are out to get you. After all, it is rather egotistical of you, isn't it? We don't want our men to be sissies, we want them to be strong and masterful. We want men to speak up and tell us what they think. I guess it is safe to say that as long as their convictions don't conflict with ours, we'll let them have their way.

Sincerely yours,
Enna Jettick '53
Atha Lete '53

Ed. Note: This will be referred to Mr. Joseph Michael Shea, our reprimanding editor as soon as he gets out of Cell block #28. Thank you, girls, for your consideration!

Any veteran drawing disability compensation or retirement pay who is NOT NOW TRAINING UNDER PL 16 should see the VA training officer relative to new VA regulations. Appointments may be made through Miss McNamara in the Registrar's Office.

Gift of '50 Is Grotto

Again in the history of St. Michael's College a statue of the Blessed Virgin Mary will find a place on the campus. Prior to the excavation for the Cheray Science Building, there was a small grotto in honor of Our Blessed Lady but on President's Day, November 16, a statue of Our Lady of Fatima will be sighted in front of Prevel Hall.

This statue and shrine is a gift of the class of 1950 and is due largely to the grateful efforts of Augustine F. Contant and the class officers.

Mr. Charles Frenette of Winooski will lay the 5' 10" Italian Carrara marble statue

in a 10' arched grotto of Barre granite. After the 9:00 Mass on President's Day, the dedication ceremony will take place with the Rev. Daniel P. Lyons delivering his President's Day address to the student body.

"Night of Knights"

This year's Night of Knights, which will be presented on November 20 promises to be an even greater success than last year's production. A great deal of new talent has been brought into the light during the last few days. These along with last year's standouts will comprise an entirely new show.

MUSIC

Returning this year will be the St. Michael's College Glee Club and the Arabian Knights, the college dance orchestra headed by Billy Cofrances. Several production numbers such as Tumbling Tumbleweed and Mr. Touchdown, U.S.A. will highlight the program.

SATIRE

A satire on the United Nations will be presented as written by those two eminent St. Michael's humorist Professors Carr and O'Beirne. Music and comedy will comprise the greater part of the show. In contrast to last year's show there will be no emcee, instead it will take the form of a musical comedy production with emphasis on continuity.

Introducing

Fr. Wiggins

To all Old Hall residents; he needs no introduction but to many of the student body who have seen this quiet unassuming young priest around campus his name is Father Anthony Vincent Wiggins.

Father came to St. Mike's in September of 1950 after spending a year teaching mathematics, chemistry and also being the school librarian at St. Edmund's Junior Seminary in Swanton, Vermont. He stands six feet four inches tall and hails from Milton, Pennsylvania. He is the oldest boy in a family of six and also has the distinction of being the only Catholic from his parish to enter the priesthood.

ORDAINED IN 1944

Father Wiggins was ordained in Burlington in 1944 along with his classmate Father Albiser also of St. Michael's. Although he is still very young and youthful looking, Father Wiggins has done five years of missionary work down South, working among the negroes spending three years in North Carolina and two years in Alabama.

WANTS M.A. IN MATH

He is a graduate of St. Mary's College in Kentucky where he received an A.B. degree in English and Latin. He is now working on his Master's Degree in mathematics for it has always been Father's desire to be able to teach math in college. While at St. Mary's he excelled in basketball, playing four years and turning in many great games. He also was active in softball, tennis and is a very capable bowler.

Father has many hobbies but his great stamp collection and his variety of odd pipes are among his most proud possessions.

PLUGS PIGSKIN TEAM

At present he is the very popular proctor of the fourth floor "flats" in Old Hall and reminds this reporter that he is very proud of his squires for they form the nucleus of our undefeated freshman football team. While speaking on sports, Father predicts many great seasons for "Doc" Jacobs and his teams for the spirit of the squad is unbeatable. Second only to his native Pennsylvania, Fr. Wiggins ranks Vermont as the most beautiful state in our country.

Be Happy-Go Lucky!

Enjoy your cigarette! Enjoy truly fine tobacco that combines both perfect mildness and rich taste in one great cigarette - Lucky Strike!

Perfect mildness? You bet. Scientific tests, confirmed by three independent consulting laboratories, prove that Lucky Strike is milder than any other principal brand. Rich taste? Yes, the full, rich taste of truly fine tobacco.

Only fine tobacco gives you both real mildness and rich taste. And Lucky Strike means fine tobacco. So enjoy the happy blending that combines perfect mildness with a rich, true tobacco taste. Be Happy—Go Lucky!

L.S./M.F.T.-Lucky Strike Means Fine Tobacco

SSE Mission Director Visits St. Michael's

Fr. Lambert, with Mission Crusade officers Paul Boucher and Bernie Flynn, looks over the Christmas cards whose sale means so much to the Southern Missionaries.

Fr. Norman Lambert, Superior of the Southern Missions, praised the work of the Mission Crusade at St. Michael's while he was here during his annual visit of his Alma Mater last Tuesday. Said Fr. Lambert, "The Mission Crusade at St. Michael's is outstanding in its work."

In giving a material example of where the money from the works of the Crusade goes, he stated that the money was used to equip a whole school in Gadsden, Alabama.

The congenial, soft spoken alumnus of the Class of '37 also spoke of the work of the missions in the South, of their humble beginning back in 1937, and of the progress made since then.

HUMBLE BEGINNING

The missions started with one house in Selma, Alabama under the guidance of Fr. Francis Casey and Fr. John Paro, and today the missions in the South consist of 12

separate units spread over the state of Alabama. Fr. Lambert went down South in 1941, and was made Superior in 1946

The Mission Crusade at St. Michael's has also aided the building of a church at Heron Bay, Alabama. They are also responsible for a fully equipped operating room in the newly built hospital in Selma, Ala.

Future plans for the Mission include a new chapel and school at Heron Bay, a school and convent at Aniston, and a new school to relieve the overcrowded situation in Selma.

For the *Michaelman*

I wish to commend the fine spirit of the students who are lending their time and talents to aid a most worthy cause: the Boys' Club of Burlington. No one loses by charity. You will be the greater for doing this good deed. My best wishes for a most successful NIGHT OF KNIGHTS.

Congratulations also to the boys who so kindly offered to help in the renovating of the Monastery of the good Carmelite Sisters. It was a very noble gesture. God bless you.

Very Rev. Daniel P. Lyons, S.S.E.
President

great offensive play paved the way for the 44-6 Knight victory over the Cadets.

Joe was born in Lawrence, Mass., and is the oldest of two. Joe entered Central Catholic and played three years of varsity football. After graduation from High school, "Tiger Joe" spent 2 years in the service. Joe entered St. Michael's in '47 and immediately starred as center on the football team.

In his sophomore year, "Tiger Joe" was switched to left tackle where he played all season. In his junior year, "Tiger Joe" was switched

SAC:

Last Monday night the Student Activity Council met in College Hall at 6:30 p.m. Council President Tim Murphy accepted the resignation of Tom Welch. Bill O'Hearn submitted the budget for the coming Football Dance, a sum of one hundred and twenty dollars, which was subsequently approved by vote of the Council. Upon recommendation of Tom Welch, \$12.50 was appropriated for the purchase of fifty new booklets for Nocturnal Adoration.

Out of a proposed budget of one hundred and five dollars for the Labor Relations Club, forty dollars was earmarked for refreshments for twelve guest speakers who will appear before the club in panels of two during the year, and for guests and representatives of the club. Bill Kenney, president of the L.R.C. said that refreshments were only a courtesy to their speakers who often travel considerable distances to appear before the club, all at their own expense. (Guest speakers receive no fee from the club.)

This forty dollar refreshment tab was the subject of much recrimination and counter-recrimination in the Council. Those against the refreshment item felt that it would establish a dangerous precedent, and furthermore that it was too much money for the proposed refreshments. (A light lunch.)

A confused discussion ensued for about ten minutes ending when Jack Aubrey remarked that the whole argument was absurd. The club budget was then called to a vote and passed by the Council.

The following Council members were not present at the meeting: Herbie Guay, Al Vanasse, John Provenzano, and John Barry.

Purple in "Rifle City" Meet Strong AIC Today

It's back to Springfield again this week for the Purple Knights and the opposition will be furnished by Tom Gannon's American International Aces. As it was two weeks ago, in the Rifle City, the Michaelmen will be the underdogs, and the high flying Yellow Jackets the favorites.

AIC sports a record of five full, and quarterback Stan Slaby. It was Kneeland, the veteran back from Amherst, Mass., who played a leading role when signal-caller Slaby chose straight power plays to beat Wesleyan.

Coach Gannon's line has seen an improving standout all year. Last week, the forward wall allowed their opponents but 59 yards through the line. Starters may be: Ray Lukasiewicz and Joe Trimble at ends; Tom Burns, and 225 lb. Ward Rant, tackles; guards McIlveen and Pfnaush, with Gene Mulcahy at center. A few of these positions may be changed due to the change from offense to defense but the veterans will remain at their posts.

After last week's rout of Hofstra, the Knights should be "up" for this one. This is their last chance to "save face" after the solitary loss to Springfield. Doc Jacobs & Co. have a lot to gain by an upset win.

SMOC Plan Grid Dance Held at Season's End

Along with the closing of the 1950 football season this coming weekend, is the St. Michael's Outing Club "Football Jamboree" in Austin Hall on Wednesday, November 15. This informal dance promises to be a highlight of not only the Loyola game weekend, but of the fall on the Hilltop.

Senior Varsity footballers will be presented complimentary tickets to the forthcoming Outing Club's Winter Carnival at this dance. It was also announced that Varsity grididers will be guests of the S.M.O.C. at this dance.

ARABIAN KNIGHTS TO PLAY

The Michaelmen and their dates are in store for a lot of good music and smooth dancing for the full, twelve piece, Arabian Knights Orchestra will be on hand. Tony LaSauter and the Cuban Combo will give the dancers a taste of "Cuban Bop."

Michaelmen, let's show a great St. Michael's team that we're really proud of them! And don't forget the god of football, Oblockthatkick! So phone that favorite heartbeat

Knights Gain Fourth

Ditch Dutchmen 41-6

By Fran Hoben

In racking up their fourth victory of the season the St. Michael's gridders proved themselves to be good muders. For last Saturday on the Athletic Field, during a miserable rainstorm, the Knights survived an early scare by the Flying Dutchmen of Hofstra College and went on to post an easy 41-6 win. The Springfield story of two weeks ago was almost completely reversed, with a much better ending of course, as the visitors from Hempstead, L. I., were just overpowered.

Jack "the Ripper" Heggarty scooting around his own left end for seven yards.

The biggest factor in this return to winning ways was the exceptional running of Pete Plourde and Jack Heggarty. These two, who had been only so-so in the ball-carrying department in previous games, finally broke loose and between them gained a total of 281 yards. Pistol Pete besides averaging 8.4 per carry, scored three times, in fashioning his best college day. Heggarty tallied the fourth TD on a 28 yard sprint and average 8.2.

Hofstra opened up with a bang. After stopping an SMC threat they took the ball on their own 13. Then with some real razzle-dazzle in the backfield, Walt Kohanowich passed to little Jim Fogarty and the play ended in the end zone. Unfortunately there was a penalty on the play which nulified the score. But that didn't slow up the men of Coach Howie Myer and they were able to stave off a couple of Purple advances until the early minutes of

the second quarter. By that time Kohanowich had put his side ahead 6-0 with a two-yard buck. Then the clouds opened, literally as well as figuratively, and the Knights' attack became unstoppable. Before the half had ended Plourde drove over from the two and the four respectively, and with Art Coggio converting his first of five dropkicks the Knights led 13-6. The last 30 minutes were all St. Michael's. Late in the third period after a sustained drive of 52 yards, Plourde did it again, this time from the 1.

Despite free substituting by Coach Jacobs, the score soared to run-away proportions. With Heggarty having scored his six-pointer, Ken Casperson decided to get into the act. Sophomore Don LaBossiere accounted for the final score when he gathered in a punt on his own 22 and behind fine blocking raced up the far sideline and went all the way for his first TD of the campaign.

Hoopsters Out Meet Branion

Coach Barry Branion greeted his fast moving hoopsters last week and immediately the boys settled down in earnest for their gruelling 22 game schedule.

On hand for their initial meeting included: veterans "Big" Ted Burzenski, Jim "Postmaster" Farley, Paul Stapleton, Bob Duffy, Danny McCarthy and Eddie Markey.

Up from last year's undefeated frosh eleven who met Branion were "Easy" Ed Nolan, George Barry, "Dixie" Walker, Hank Witte and elongated Bob Murphy.

It is no secret around the local circles, that Coach Branion will rely upon these "sophs" immeasurably to bring the team another fine court season. Last year the Squires averaged 66.83 points per game while limiting their opponents to 36.33. High scores for this aggregation were George Barry 152; Mike Carr 82; Nolan and Murphy 78; Witte 48; and Aumand hooped in 38 in five tilts.

Hoopmen who perform on the gridiron will join the team at the end of the football season. They are: Bob Kateley, Mike Carr, Ed Krupinsky and Paul Aumand.

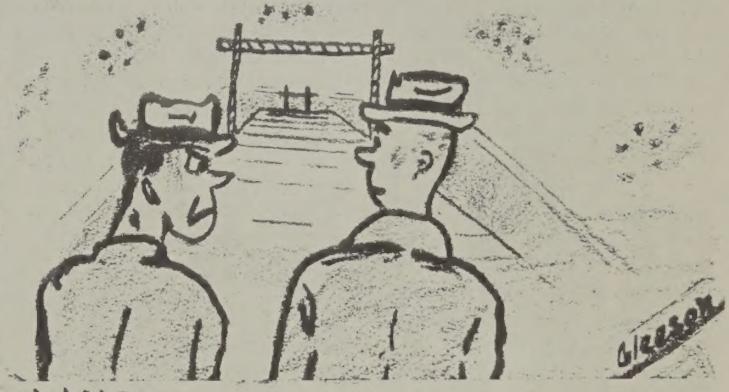

How about this Each year the people of Vermont shell out over seven hundred thousand simoleons towards the benefits of higher education. This huge sum is distributed between Vermont 596,000; Norwich 59,000; Middlebury 39,800; and dear old St. Michael's 3600. - "Has justice triumphed?"

Now the football season, as we all know, is rapidly coming to a close, and when the final curtain is hung, somebody is going to have to do an awful lot of explaining. Yes, someone will have to break down and answer to the fact, that the Purple Knights, the state champs, were the benefactors of but one football broadcast during the past campaign. Yes, someone will be asked the reason why each of the three other institutions of higher learning had more games aired over the local network than the state champs. Incidentally our nearest rivals were on the receiving end of five such broadcasts. I ask you again "Has justice triumphed?"

As I previously stated, the school for skiers receive in the vicinity of thirty-seven thousand dollars a year from the over-burdened taxpayers

Now around the year 1773 a group of thirteen colonies rallied together to rebel against - "taxation without representation." Well, whether the people of this state realize it or not, they are being confronted with the same problem "taxation without representation."

Representatives of Middlebury College have openly declared, that it is the object of the Panthers to forsake the so-called cow-league in favor of such lucrative spots as Boston and New York. These same representatives are responsible for a S.M.C. - Panther clash. Yet when it comes around for schedule making these "wheels" seem willing to forget their duty to the public, (taxation without Middlebury's representation) their allegiance to the state, and above all to their own club, who just can't win a ball game outside of their adopted territory.

In view of the fact that I refuse to expound my views on what will happen in the "Rifle City" today, I can secretly relate that in a couple of years, Middlebury will be humbly bowing to Norwich University on the gridiron.

The undefeated "Michaelman" touch football team has openly challenged the following teams to a game anywhere and at any time: WJOY, WCAX, "Burlington News" and "Free Press."

COMPARE CHESTERFIELD
WITH ANY OTHER CIGARETTE!

BEFORE YOU SMOKE THEM

...you can tell Chesterfields will smoke milder,
because tobaccos that smell milder smoke milder.

AFTER YOU SMOKE THEM

...you have no unpleasant after-taste.

WHILE YOU SMOKE THEM you get more pleasure than any other cigarette can give you—that's why millions of smokers say: THEY SATISFY.
